

What God Shared with Monica through Ezekiel 7...

- God said that he was done with Israel...enough of the abominations.
- "I will not abide in a people who will not repent and call Him holy!
- Respond, Repent; seek His face while there is still time. Do not fool yourselves into believing the lies of the enemy.
- He is full of deception and his lies tickles the ears and sounds pleasing.
- Read your Bible! Know Me! Know My ways!
- Everything is written in My Word. It is truth! It does not tickle the ear. It is truth of what and who I AM!
- I AM the Alpha and Omega, the beginning and the end!
- Understand the times and turn back to Me. Hear My voice over the chatter. Ask Me and I will reveal. Your hope is in Me.
- Your salvation is in Me and Me alone!
- Stop saying, "I heard this, and I saw that." I AM the Way, the Truth, and the Life.
- This life there will be trouble, but I give you My peace and My rest as you abide in Me.
- Do as I say, work while there is day. Soon the sun will set and what fruit will be accounted to you?
- Do not fear anymore and be doing what I tasked you to do. -I AM coming soon and My reward is with Me. Amen and Amen.
- We need to repent. This is truth. This word is everything. There is no other word out there. If you want truth, this is it. If you want prophesy, this is it. If you want love, this is it. This is peace, hope. This is everything we need to stand on.
- The Fear of the Lord is understanding, and the Fear of the Lord is wisdom. Read His bible and let it be revealed his promises to you.

Now, take a moment to reflect what was shared...

- Read what was shared slowly. Underline or highlight words that stand out to you.
- Sit in silence for a few moments. Don't think or try to figure it out, just rest.
- Read what was shared again. See if something sticks out to you or something new.
- Sit in silence again. This time, notice your emotions, thoughts, or feelings. Try not to correct or learn just rest in what you read and highlight anything new.
- Read again, one last time.
- Ask the Lord what the invitation is? What is He saying for you?
- Follow through with His leading and His instruction.
- If you have any difficulties with what he is asking you to do, ask the Lord what is keeping you from following through and what does He have to say about it?
